

Our Team

Dr. Balasubramaniam BSc., MD, ABIM

Dr. Balasubramaniam began his professional education at the University of Ottawa, receiving a Bachelors of Science degree in Biochemistry with Honours in 2008. He went onto receive his Doctor of Medicine degree from the Medical University of the Americas, Nevis, in 2016.

After obtaining his medical degree, Dr. Balasubramaniam moved onto complete a residency in Internal Medicine at the University at Buffalo, USA, in 2019.

He has been working as a Hospitalist at Erie County Medical Center in Buffalo New York for the last three years treating a broad range of acute medical conditions. Dr. Balasubramaniam has worked with patients from varying socioeconomic backgrounds and ethnicities.

Dr. Balasubramaniam's background in hospital medicine and extensive training in ambulatory medicine has given him a broad depth of knowledge in the diagnosis and treatment of a myriad of clinical conditions. He has expertise in managing clinical conditions in Cardiovascular, Renal, Gastroenterology, Endocrinology, Pulmonology, and Hematology.
